

Sustain Your Circle's Momentum & Independence: **Giving Circles, To Go**

Maximize your Giving Circle's impact with support from our expert, local team. When you partner with the Sacramento Region Community Foundation to host your Giving Circle, you maintain your focus on building relationships and determining where and when to direct your funds, while we handle the rest.

Getting Started Is Easy

Your members can use cash, stock, Qualified Charitable Distributions, and other assets to establish your Giving Circle Fund for a minimum of \$10,000 and qualify for immediate tax deductions. Additional contributions and investment gains increase your grantmaking power according to the timeline that's right for your group.

You'll be free to focus time and energy on cultivating your Giving Circle's impact, while we manage the administrative tasks of investing your funds, distributing grants according to your wishes, and providing statements and tax reporting.

GIVING CIRCLE SPOTLIGHT

Since 2012, APIs RISE's members have directed more than \$200,000 through their Giving Circle Fund to advance their mission, which is to increase the capacity and impact of philanthropy among Asian Americans and Pacific Islanders in the region.

To get started, visit sacregcf.org/circle or call (916) 921-7723.

As the center of philanthropy for our area, the Sacramento Region Community Foundation is dedicated to increasing the effectiveness of your philanthropy and strengthening local communities. Our mission is to lead, serve, and inspire enduring philanthropy for a just and vibrant Sacramento region.
