

Impact Collaborative

You belong in the Impact Collaborative because you care about your community and want to make a difference alongside others who feel the same way. **Here's how it works:**

1. Give

Make a contribution, pooled with others, and join a network of people who care.

2. Gather

Connect with fellow members and learn from local nonprofits.

3. Grant

Vote with other members to award funding to local nonprofits.

Where Community & Generosity Meet

The Impact Collaborative is a simple way to turn your commitment to community into action. When you join, you combine your contribution with fellow members, learn about local causes, and help decide where to invest charitable dollars to make a difference in your community.

You don't need a large budget or a background in philanthropy to make a positive impact. Be part of a group of people who care about showing up for the community we call home. Join today at sacregcf.org/collaborative.
